Students Interactive Society

The main student body within SLIIT, comprising student representatives of the Departmental societies in Information Technology, Engineering, and Business Management.

The patrons of the society are the Chancellor and Vice Chancellor of SLIIT. SIS together with the respective student communities, organize various events, maintains decorum and adheres to rules, upholding the good name of the institute.

Faculty-based student communities

Currently there are 4 faculty based student communities as Faculty of Computing Student Community (FCSC), Faculty of Engineering Student Community (FESC), Faculty of Business Student Community (FBSC) and Faculty of Humanities and Sciences Student Community (FHSSC).

Sport Council

Promotes sports and recreational activities. At SLIIT, students engage in a wide range of sports including cricket, rugby, volleyball, tennis, table tennis, badminton, chess, carom and karate. The Malabe campus has excellent indoor and outdoor sports facilities. These include a large playground, a tennis court, a basketball court, indoor table tennis, carom and a well- equipped gymnasium.
